Education

National University of Singapore

Ph.D. Candidate in Operations Research and Analytics, GPA: 4.9/5.0

Advisor: Yifan Feng

Singapore

2021–Present

Massachusetts Institute of Technology, Sloan School of Management

Visiting Ph.D. Student

Cambridge, MA

Sep–Dec 2024

Fudan University

Master of Finance in Fintech, School of Data Science

Shanghai, China

2018–2020

Nankai University

B.Sc. in Statistics, School of Mathematical Sciences

Tianjin, China

2014–2018

Research Interests

My research examines how platforms and markets should design policies when participants respond strategically. I develop models that anticipate these responses and translate them into more effective institutional decisions. My work combines game theory, information design, and online learning, with applications to digital platforms, auctions, and financial markets.

Working Papers

[W1] **Credit Rating Design and the Solicitation Gap**, with Yifan Feng and Jussi Keppo. Major revision at *Operations Research*.

Conference version: 26th ACM Conference on Economics and Computation (EC 2025).

[W2] **Nash Equilibria in Uniform Price Auctions: Theory, Computation, and Market Insights**, with Yifan Feng and Negin Golrezaei. Major revision at *Manufacturing & Service Operations Management*.

Conference version: 2026 ACM SIGMETRICS International Conference on Measurement and Modeling of Computer Systems.

[W3] **Learning to Rank under Strategic Corruption: A Nonatomic Approach**, with Yifan Feng and Hongfan (Kevin) Chen. Submitted to *Mathematics of Operations Research*.

Conference version: 25th ACM Conference on Economics and Computation (EC 2024).

Journal Publication

[J1] **Fast Projection onto the Ordered Weighted ℓ_1 Norm Ball**, with Xudong Li. *Science China Mathematics*, 65 (2022), 869–886.

Selected Talks and Presentations

[W1] *Credit Rating Design and the Solicitation Gap*.

- Revenue Management & Pricing Conference, Ann Arbor, MI, USA Jul 2026
- Singapore Analytics & Operations Day, SMU, Singapore Oct 2025
- 26th ACM Conference on Economics and Computation (EC), Stanford, CA, USA Jul 2025
- INFORMS International Meeting, Singapore Jul 2025
- MSOM Conference, London, UK Jun 2025
- Ph.D. Student Workshop, NUS Business School, Singapore May 2025
- Marketplace Innovation Workshop, Virtual May 2025
- INFORMS Annual Meeting, Seattle, WA, USA Oct 2024

[W2] *Nash Equilibria in Uniform Price Auctions: Theory, Computation, and Market Insights.*

- MSOM Conference, Boston, MA, USA Jul 2026
- ACM SIGMETRICS, Ann Arbor, MI, USA Jun 2026
- POMS-HK International Conference, Shenzhen, China Jan 2026
- INFORMS Annual Meeting, Atlanta, GA, USA Oct 2025

[W3] *Learning to Rank under Strategic Corruption: A Nonatomic Approach.*

- Next-Gen Scholar's Symposium, NUS, Singapore Sep 2026
- 25th ACM Conference on Economics and Computation (EC), New Haven, CT, USA Jul 2024
- Revenue Management & Pricing Conference, Los Angeles, CA, USA Jul 2024
- INFORMS Annual Meeting, Phoenix, AZ, USA Oct 2023
- MSOM Service Management SIG Conference, Montreal, Canada Jun 2023
