

Qinzhen Li

Ph.D. Candidate in Operations Research and Analytics

Institute of Operations Research and Analytics, National University of Singapore

qinzhen@u.nus.edu | qinzhen-li.github.io

I study learning and design when the data and market outcomes available to a designer are themselves shaped by strategic behavior. I ask what decision-relevant structure survives these responses and how it can support learning and policy design, using game theory, information design, and online learning.

INFORMS 2026 Job Market Session:

Nov. 1, 1:15–2:30 PM | Moscone South 201

Education

National University of Singapore

Ph.D. Candidate in Operations Research and Analytics, GPA: 4.9/5.0

Advisor: Yifan Feng

Dissertation: Learning in Strategic Market Environments: Algorithms, Incentives, and Equilibria

Singapore

2021–Present

Massachusetts Institute of Technology, Sloan School of Management

Visiting Ph.D. Student

Host: Negin Golrezaei

Cambridge, MA

Sep–Dec 2024

Fudan University

Master of Finance in Fintech, School of Data Science

Shanghai, China

2018–2020

Nankai University

B.Sc. in Statistics, School of Mathematical Sciences

Tianjin, China

2014–2018

Research Papers

[W1] **Credit Rating Design and the Solicitation Gap**, with Yifan Feng and Jussi Keppo. Major revision at *Operations Research*.

Conference version: 26th ACM Conference on Economics and Computation (EC 2025).

Selected presentations: Revenue Management & Pricing Conference (RMP 2026); MSOM Conference (2025); Marketplace Innovation Workshop (2025).

[W2] **Nash Equilibria in Uniform Price Auctions: Theory, Computation, and Market Insights**, with Yifan Feng and Negin Golrezaei. Major revision at *Manufacturing & Service Operations Management*.

Conference version: 2026 ACM SIGMETRICS International Conference on Measurement and Modeling of Computer Systems.

Selected presentations: MSOM Conference (2026); POMS-HK International Conference (2026).

[W3] **Learning to Rank under Strategic Corruption: A Nonatomic Approach**, with Yifan Feng and Hongfan (Kevin) Chen. Submitted to *Mathematics of Operations Research*.

Conference version: 25th ACM Conference on Economics and Computation (EC 2024).

Selected presentations: NUS Next-Gen Scholar's Symposium (2026); Revenue Management & Pricing Conference (RMP 2024); MSOM Service Management SIG Conference (2023).

[W4] **TrellisMark: Multi-Bit LLM Watermarking with Trellis Coupling and Online Strength Allocation**, with Jingqi Zhang and Yan Pang. Conference version submitted.

- [J1] **Fast Projection onto the Ordered Weighted ℓ_1 Norm Ball**, with Xudong Li. *Science China Mathematics*, 65 (2022), 869–886.

Work in Progress

- **Market Making with Strategic Order Flow.**
- **Sponsored Recommendations under Generative Engine Manipulation.**
- **Dynamic Promotion as an Investment in Future Popularity.**

Teaching

Instructor, NUS Business School Aug–Nov 2025

DAO1704: Decision Analytics using Spreadsheets

- Taught a 62-student section of this core course in the Bachelor of Business Administration curriculum, covering optimization, probability, simulation, and decision trees.
- Teaching evaluations: 4.3/5 effectiveness, 4.6/5 for facilitating participation, and 4.5/5 for enhancing thinking ability; received 18 student nominations for teaching awards (47 responses; 76% response rate).

Guest Lecturer, NUS Business School Nov 2025

DBA5101: Analytics in Managerial Economics

- Guest lecture on multi-armed bandits and sequential decision making for MSc Business Analytics students.
- Teaching evaluation: 4.35/5 (20 responses).

Teaching Assistant, NUS Business School Aug 2022–May 2023

DBA5109: Quantitative Risk Management

DBA3713: Analytics for Risk Management

Teaching Assistant, Fudan University Sep 2019–Jan 2020

DATA630012: Big Data and Financial Risk Management

Honors and Awards

Student Travel Grant, ACM SIGMETRICS	2026
NUS Research Scholarship	2021–2025
Travel Grant, ACM Conference on Economics and Computation (EC)	2024, 2025
Fudan Outstanding Graduate	2020
Fudan Outstanding Student	2019
Second Prize Scholarship and BOCOM Scholarship Award	2019

Service

Session Chair, INFORMS International Meeting Jul 2025
